1	2 MP fixed & bullet camera / colour view/ night vision	pcs	**6265.00**
2	4 MP fixed IP camera / colour view/ night vision/Image Sensor less than1/2.9 CMOS, Min. illumination less than 0.005 Lux, IR Distance 30m	pcs	**11850.00**
3	4 MP fixed IP camera / colour view/ night vision/Image Sensor higher than1/3 CMOS, Min. illumination less than 0.007 Lux, IR Distance 20m	pcs	**9175.00**
4	8 MP fixed IP camera / colour view/ night vision/Image Sensor less than1/2.9 CMOS, Min. illumination less than 0.005 Lux, IR Distance 30m,	pcs	**19377.50**
5	8 MP fixed IP camera / colour view/ night vision/Image Sensor higher than1/3 CMOS, Min. illumination less than 0.007 Lux, IR Distance 20m	pcs	**15200.00**
6	8 MP motorized camera/ colour view/ night vision/Image Sensor less than1/2.9 CMOS, Min. illumination less than 0.005 Lux, IR Distance 30m, Resolution 3840x2160	pcs	**29875.00**
9	8 Ch NVR/ 1 SATA Slot with resolutaion 12 MP, AI Features, Supports 4K Output, 10 TB HDD supports	pcs	**16625.00**
10	8 Ch NVR/ 1 SATA Slot with resolutaion 12 MP, Supports 1080p output, 6 TB HDD supports		**13300.00**
11	16 Ch NVR/ 1 SATA Slot with resolutaion 12 MP, AI Features, Supports 4K Output, 10 TB HDD supports	pcs	**16962.50**
12	16 Ch NVR/ 1 SATA Slot with resolutaion 12 MP, Supports 1080p output, 6 TB HDD supports		**18450.00**
13	16 Ch NVR/ 2 SATA Slot with resolutaion 12 MP, AI Features, Supports 4K Output, 10 TB HDD supports	pcs	**28625.00**
14	16 Ch NVR/ 2 SATA Slot with resolutaion 12 MP, Supports 1080p output, 6 TB HDD supports		**23412.50**
15	32 Ch NVR/ 2 SATA Slot with resolutaion 12 MP, AI Features, Supports 4K Output, 10 TB HDD supports	pcs	**36125.00**
16	32 Ch NVR/ 2 SATA Slot with resolutaion 12 MP, Supports 1080p output, 6 TB HDD supports	pcs	**30062.50**
17	32 Ch NVR/ 4 SATA Slot with resolutaion 12 MP, AI Features, Supports 4K Output, 10 TB HDD supports	pcs	**42375.00**
CC Camera Other accessories			
1	4 port normal switch ; Unmanaged Ethernet Switch, minimum 4 × 10/100/1000 Mbps RJ45 ports	nos	**1692.50**
2	8 port normal switch; Unmanaged Ethernet Switch, minimum 8 × 10/100/1000 Mbps RJ45 ports	nos	**3250.00**
3	16 port normal switch; Unmanaged Ethernet Switch, minimum 16 × 10/100/1000 Mbps RJ45 ports	nos	**5712.50**
4	24 port normal switch; Unmanaged Ethernet Switch, minimum 32 × 10/100/1000 Mbps RJ45 ports	nos	**9112.50**
12	1 TB HDD; suitable for CCTV/NVR or specified application, minimum 5400 RPM or equivalent, compatible with standard SATA systems.	nos	**14625.00**
13	2 TB HDD; suitable for CCTV/NVR or specified application, minimum 5400 RPM or equivalent, compatible with standard SATA systems.	nos	**19625.00**
14	4 TB HDD; suitable for CCTV/NVR or specified application, minimum 5400 RPM or equivalent, compatible with standard SATA systems.	nos	**29375.00**
15	6 TB HDD; suitable for CCTV/NVR or specified application, minimum 5400 RPM or equivalent, compatible with standard SATA systems.	nos	**43375.00**
16	10 TB HDD; suitable for CCTV/NVR or specified application, minimum 5400 RPM or equivalent, compatible with standard SATA systems.	nos	**64625.00**
17	Cat6 Cable indoor; Category 6 UTP Ethernet cable, 4 twisted pairs, 23/24 AWG or equivalent, solid copper conductor, PVC outer jacket	mrt	**31.25**
18	Cat6 Cable outdoor; Outdoor-rated Category 6 Ethernet cable, 4 twisted pairs, solid copper conductor, UV/moisture-resistant outer jacket, suitable for outdoor installation	mrt	**46.75**
19	Fiber Cable 6 Core (6 Mbps trasfer) ; 6-core optical fiber cable, suitable for networking/telecommunication use, single-mode or as specified	mrt	**44.75**
20	Fiber Cable 6 Core (1 Mbps trasfer);6-core optical fiber cable, suitable for networking/telecommunication use, standard optical fiber construction	mrt	**34.50**

21	Tiffin Box ; durable and reusable, leak-resistant,	nos	**506.25**
22	Patch Cable; Category 6 Ethernet patch cord, 4 twisted pairs, RJ45 connectors at both ends	nos	**358.75**
23	Fiber laying charge ; Laying, routing, dressing and securing of optical fiber cable along approved route, including required manpower and standard installation tools	mrt	**6.13**
24	fiber core splicing ; ptical fiber fusion splicing service, including fiber preparation, cleaving, fusion splicing, protection sleeve and testing	nos	**890.00**
25	poll box ; Outdoor weather-resistant enclosure suitable for installation on pole	nos	**2220.00**
26	pole arm ; Suitable galvanized/metal pole arm/bracket for mounting CCTV camera or related equipment	nos	**3762.50**
27	media converter dual; Ethernet-to-fiber media converter, supporting 10/100/1000 Mbps Ethernet and optical fiber interface, dual-fiber/SFP or equivalent configuration as required	nos	**5775.00**
28	media converter single; Ethernet-to-fiber media converter, supporting 10/100/1000 Mbps Ethernet and single-fiber optical communication, suitable optical wavelength/range	nos	**5350.00**
29	multiplug; Multi-socket electrical power strip, minimum 4 outlets, suitable for standard AC supply, with power switch	nos	**1065.00**
30	4U rack; steel construction, ventilation provision, front access, cable management provision and suitable mounting accessories.	nos	**5450.00**
31	2U rack; durable steel construction, ventilation and cable entry provision, including mounting accessories	nos	**3500.00**
32	12V 5AMP Adapter; AC to DC power adapter, input suitable for standard 220–240V AC supply, output 12V DC, minimum 5A capacity	nos	**1600.00**
33	5V 1AMP Adapter; AC to DC power adapter, input suitable for standard 220–240V AC supply, output 5V DC, minimum 1A capacity	nos	**602.50**
34	32 inch Monitor/TV; Minimum 32-inch LED display, Full HD or better resolution, HDMI input, USB input, audio output/input as applicable, standard AC power supply	nos	**24250.00**
35	6 mm consoling power cable; 6 mm² copper electrical power cable, insulated PVC/XLPE or equivalent, suitable voltage rating for electrical installation	mrt	**65.50**
36	Messanger Fiber 6 core; 6-core aerial optical fiber cable with messenger/support wire, suitable for pole-to-pole outdoor installation, weather/UV resistant outer jacket	mrt	**67.25**
37	Cat6 Cable pure copper; ategory 6 UTP Ethernet cable with 4 twisted pairs, 100% solid copper conductor, 23/24 AWG or equivalent	mrt	**63.00**
38	Wireless Mouse; Wireless optical mouse, minimum 3 buttons with scroll wheel, 2.4 GHz wireless or equivalent	nos	**705.00**
39	Installation per Camera; CTV camera installation service including mounting, cable termination, connector installation, camera alignment, configuration, testing and commissioning	nos	**1735.00**
40	POE Switch 4 port; PoE Ethernet Switch with minimum 4 × 10/100/1000 Mbps PoE RJ45 ports	nos	**4587.50**
41	POE Switch 8 port; PoE Ethernet Switch with minimum 8 × 10/100/1000 Mbps PoE RJ45 ports	nos	**8225.00**
42	POE Switch 16 port; PoE Ethernet Switch with minimum 16 × 10/100/1000 Mbps PoE RJ45 ports	nos	**17125.00**
43	POE Switch 32 port; PoE Ethernet Switch with minimum 32 × 10/100/1000 Mbps PoE RJ45 ports	nos	**27150.00**
44	Gigabit Manageable POE Switch 32 port; PoE Ethernet Switch with minimum 32 × 10/100/1000 Mbps PoE RJ45 ports	nos	**38125.00**
45	43 inch Monitor/TV; Minimum 43-inch LED display, Full HD or 4K UHD resolution, HDMI input, USB input, audio output/input as applicable	nos	**41875.00**
