2. Key Health Sector Response and Coordination:

A consultation meeting was held to discuss the *health response, recovery, rehabilitation, and preparedness following the Bhotekoshi flood, with the participation of **Hon. Nisha Meheta, Minister for Health and Food Safety, and Dr. Bikash Devkota, Secretary, Ministry of Health and Food Safety*.

The consultation was attended by representatives from various *health professional councils and associations, former Health Secretaries and Director Generals, the Department of Health Services, Epidemiology and Disease Control Division (EDCD), Health Emergency Operation Center (HEOC), Health Insurance Board*, and other relevant stakeholders and public health experts.

The discussion focused on strengthening *disaster preparedness and readiness, timely and effective emergency health response, and long-term health recovery and rehabilitation*. Experts and stakeholders provided recommendations to further strengthen the health sector's capacity to effectively prepare for and respond to future emergencies and disasters.
The recommendations and expert input from the consultation will be considered in the Ministry's *future action plans, preparedness measures, and policy development.

The Third Health Cluster Coordination Meeting was conducted to review the current situation, response actions, resource availability, and priorities for further coordination of the health sector respone.
